

BUSINESS PROPOSAL FOR NAVI APEX

Title: Request for PayHere Gateway Approval for Game Coaching Services

Recipient: Navidu Mithsara Wickramaarachchi

Executive Summary:

Navi Apex, a reputable provider of game coaching services, seeks approval for integrating the PayHere gateway into its website to enhance the payment experience for its clients. Despite the gaming category's general difficulty in obtaining approval, Navi Apex aims to clarify the legitimacy and nature of its services.

Introduction:

Navi Apex has been providing game coaching services since 2022, with a focus on helping clients improve their skills in Apex Legends. As the founder and lead coach, Navidu Mithsara Wickramaarachchi has built a solid reputation on various platforms, including Eldorado, Fiverr, G2G and also directly through Discord, utilizing payment methods like Skrill, PayPal, and cryptocurrency.

Problem Statement:

Despite the positive feedback and trust garnered on these platforms, integrating a reliable payment gateway like PayHere into Navi Apex's website remains a challenge due to the gaming category's general lack of approval.

Solution:

Navi Apex proposes integrating the PayHere gateway into its website to offer clients a seamless and secure payment experience. By providing coaching sessions directly through its platform, Navi Apex aims to enhance accessibility and convenience for its target audience in the USA and the UK.

Benefits:

Improved payment experience for clients

Enhanced legitimacy and trust through integration with a reputable payment gateway

Increased convenience and accessibility for clients seeking game coaching services

Navi Apex seeks PayHere gateway approval to enhance the payment experience for its clients and further establish its legitimacy in the gaming coaching industry. With a proven track record of delivering high-quality services, Navi Apex is confident that integrating PayHere will benefit both the company and its clients.
